Re: JONES OF OSWESTRY

Dear Sir / Madam

You may or may not be aware that Jones of Oswestry went into administration in May 2011, but as of the 3rd of October, Jones of Oswestry became a trading division of Hill & Smith Holdings PLC and have moved its manufacturing and sales office to Telford.

Sales contacts in the office are Mike Thornton and Steve Horton who have both had previous experience with Jones of Oswestry having worked there for 4 and 13 yrs respectively.

Technical and manufacturing experience of Jones of Oswestry products is offered through our drawing office Project Engineer Mark Jones who brings with him nearly 20 yrs product and manufacturing knowledge.

New contacts details for Jones of Oswestry are details above and below.

We look forward to being in contact soon.

Kind Regards

Mike Thornton
